I AM A GOLDEN GIRL PROGRAM LAUNCH

We are so excited to expand our ministry programs. Last month we launched new program of “I AM A GOLDEN GIRL”. This program is aiming at empowering girls and raise awareness about women health, also it provides an opportunity for girls to feel comfortable and proud as female, restore their **DIGNITY & CONFIDANCE**. We focus girls from **UNDERPRIVILEGED COMMUNITY**. We share the life changing message from the word of God, Bible stories and testimonies, we also provide **SANITARY PADS**. It's once per month program. Last month 23 girls gave their life to Christ during program implementation. We hope to win more souls through this program. We invite you to pray for successful, as we trust God every month to raise \$120 in order to be able to implement this program.

- OPERATION HANNAH PROGRAM LAUNCH

We are desirous to raise and building up a Godly fearing generation of youth. We also believe prayer can change and control all atmospheres that can destroy our youth. A team of Intercessors from different denomination has accepted the call to pray for this generation twice per month. Pastors are willing to support this program by sending women who are intercessors from their churches. Officially April, 20th 2023 we Launched OPERATION HANNAH PROGRAM, 11 women attended during inauguration and committed to carry the vision, also 18 ladies attended during the launch event. We ended up by praying for young people of our country and worldwide. Keep praying for this wonderful program as we are looking forward to expand it to the chapters and churches.

SCHOOLS MINISTRY

Schools ministry is a backbone of our ministry, we are highly motivated to reach out youth in schools. Last month we managed to minister students from 4 different schools, from both schools a total number of 870 students had an opportunity to attend the session and hear the gospel. Amazingly, 192 students out of 870, received Jesus Christ and decided to be a follower of Jesus Christ. Would you real celebrate together with us for those souls turned their life to Christ, also keep us in your prayers as we are working had to connect them into a local church near where they stay and join them into discipleship classes.
